

Every once in a **blue moon,**  
I come across an image that *hypnotizes* me.  
Larry Bell's "*Aspen Blues*"  
starts me daydreaming **X2:**

***Two different geometric shapes,***  
***Two different shades of meaning,***  
***Two sides of a story.***

For the first partner in ***the duet,***  
I'm thinking perfect right angles.

all hell breaks loose.*

*The square root of horticulture.*

The plants don't listen.

They are **utterly unruly,**

*and can barely be coaxed with*  
**24gg** wire.

They *burst*

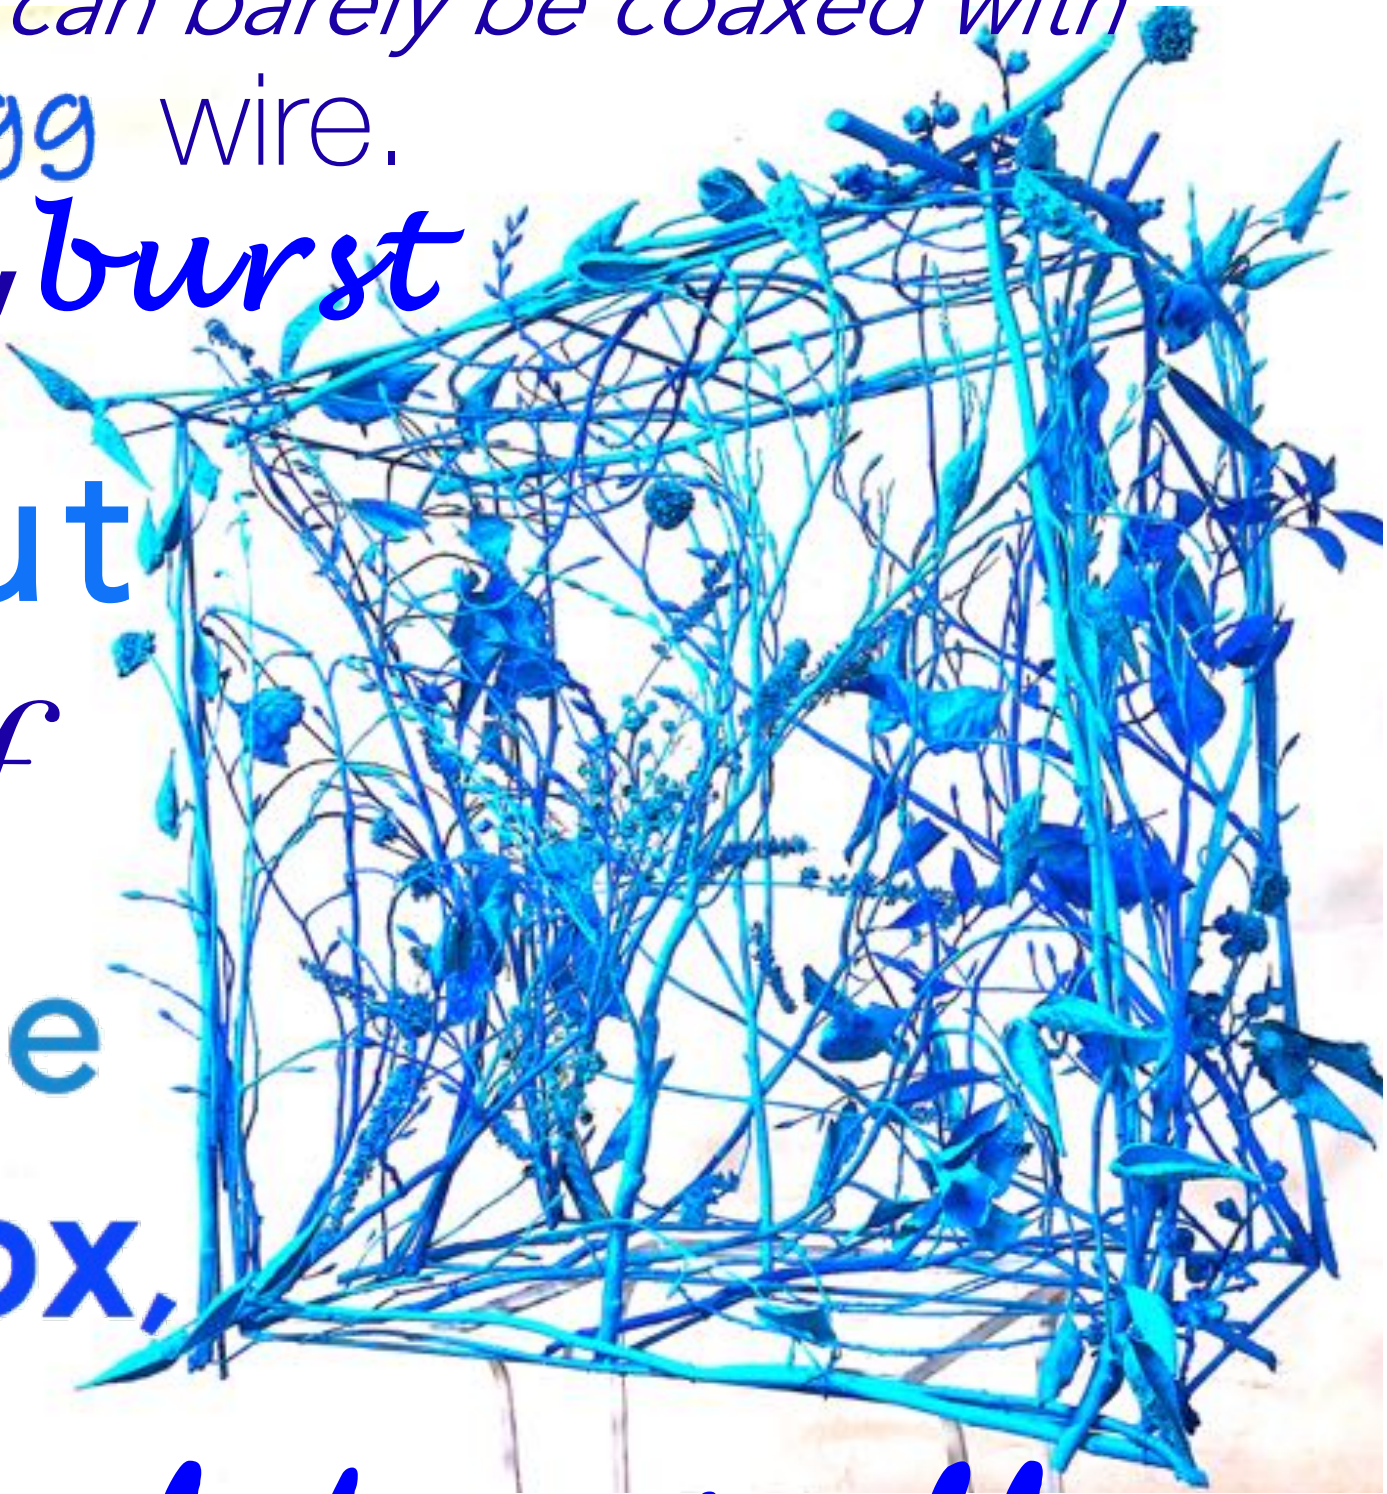

**out**

*of*
