

MOOD

INDIGO

The blue cube

is only half the story.

It needs a partner — one that's **even bluer.**

First
I study
a
blue
jacket
in
a
Max
Beckmann
painting.

And
also
the
blue
dress
in a
portrait
by
Gauguin.

That's
what I want — **ragged**, rough,
brushy brushstrokes, **smears** of paint.

Think of plant matter as
a medium for
sculpture —
like clay or
stone. So the
leaves and
twigs become
a kind of
organic canvas.

You can see
Mood Indigo
and **Aquarium** at
their new home,
23 Skidoo Café
located at
33 Carteret,
Bloomfield
NJ
